Dearham Sept. 18. '44.

My Dear Caroline:

Although I sent off a
packet of formidable sinners -
-sins this morning - still I think
I will avail myself of the
return of W. Rumphrey to send
you a good letter from Sydney
which I have just received.
I am glad to see that he did
not alter his plan in conse-
-quence of my letter, but that
the extras arrived in due time.
Mr. I. returned this evening
bringing a letter from Mr.
Narcis, informing me of

Dear Lucia's continued
well doing - for which
you be thanked. She
also tells me that you
request her to forward
letters to me which have
not come to hand. I
hope to find them in town
tomorrow. Shall you return
to New Bedford on Saturday?
I deliver a Temperance Lecture
on Sunday in Quincy - and
it is just possible that

I may run in for half an
hour - not more - and see
how you all do - returning
to my sister's at Quincy 5
ten. But this is very uncer-
-tain on many accounts.

Maria writes that she
has been a little indisposed
in consequence of her fatigue -
but is now quite recovered.
She says nothing about the
arrival or the fate of the extras
so she had not been at the office
before she wrote. She tells me
that a Rev. W. Williams, of

Green Bay called this morning
and brought the picture of his
father - an Indian chief - and
the Ames A. S. gallery - and
paid \$20. for it. This she says
is the foundation stone of the
next Bell - it indeed Bells
have foundational stones - which
I never heard of before. But
she was a school ma'am & I never
was.

With renewed love & all,

I am very truly Yours

Edmund Quincy

My friend Cyrus Briggs is
arriving & I intend to call on
him tomorrow.
